

We would like to personally invite you to be part of the 47<sup>th</sup> Annual Medford Rod and Custom Show. The show will be held April 27 & 28, 2024, at the brand-new Rogue X Event Center in Medford, Oregon. As part of this year's show, you will be among some of the very best vehicles and people in the industry.

Pre-Covid, we were one of the Top 10 Shows in the Nation for the Street Rodder Magazine's Top 100 Competition sponsored by Painless Wiring. We were not able to have the show during the pandemic but we are back! This year's show will be held in Medford at the brand new Rogue X Event Center and we are so excited to be one of the first groups to hold an event at the facility.

This is a smaller more intimate show with approximately 100 cars displayed inside the new facility. There will also be the traditional outside show that will be able to host up to 200 cars.

In addition to having a great car show, each year right before the awards ceremony we have a benefit auction to provide donations for local youth vehicle related programs. This year's auction will be benefiting the Willemina High School Auto Shop, Familia Unida Bicycle Build Program, and Eagle Point High School Shop Class. All proceeds from the auction will go to these programs. These youth are the future torch carriers for hot rods and custom vehicle builders.

We hope you will join us for the fun event. Enclosed is an application form. Please visit our website at [www.bettercarshows.com](http://www.bettercarshows.com) for more information and to see pictures of previous shows.
